Over 100 customers and friends celebrated 25 years of service by Doral-based ASE Telecom and Data, founded in 1984 as "All Sound Equipment by Juan and Maria Perez, offering installation and repair services for commercial and resi-

dential telephone systems. On its silver anniversary, ASE paid special tribute to its founding couple that immigrated to Miami from Cuba in the mid-1960's.

Now grown into one of the premier network cable installation and service com-

panies in Florida, Mr. Perez, Chairman of the Board, and Mrs. Perez, CEO, work with their sons, Javier Perez, Chief Operating Officer, and Daniel Perez, Vice President of Operations.

ASE employs 70 field personnel from

Orlando to the Florida Keys with clients that include such major names as Carnival Cruise Lines, City of Doral, University of Miami, City of Miami Beach, Jackson Memorial Hospital and Broward County Aviation Department.
